Notice-New Construction of Warehouse in Ichikawa City, Chiba

Our company has decided to construct a new warehouse in Ichikawa City, Chiba Prefecture.

Construction started in September 2017, and is scheduled to be completed in July 2018.

Our planned construction site is close to Bayshore Route Chidoricho IC and Urayasu IC, and it is about 5 km from Takaya JCT which connects to the Tokyogaikan Expressway within FY 2017.

It is also a 6-minute walk from Ichikawa Shiohama Station (JR Keiyo Line) and a convenient and comfortable location.

Our new warehouse is convenient as a delivery center including the function of distribution processing as well as warehouse storage.
