Katolec Corporation

Notice of Approval to Establish a Customs Brokerage Office

KATOLEC Corporation opened a Global Forwarding Office (Tokyo) on July 1, 2025, to strengthen our international freight forwarding service and KATOLEC Corporation obtained approval from Tokyo Customs for the establishment of a customs brokerage office on November 7, 2025. This approval enables us to expand further integrated transportation services—combining international freight forwarding service with import and export customs clearance—and respond more to our customers' needs.

The Global Forwarding Office is our second customs brokerage office, following the Toyo Customs Center, Ehime Prefecture.
