Katolec Corporation

## Notice of Opening a Logistics Base in India

Katolec is pleased to announce the establishment of a wholly owned subsidiary in Pune, Maharashtra, India, to undertake its logistics operations. Details are as follows.

### 1. Purpose of Establishing the Local Subsidiary

Katolec Group combines its logistics capabilities with EMS (Electronics Manufacturing Services) to provide global support for our customers' supply chains. In India, which has the world's largest population and strong economic growth, Katolec Group will roll out a one-stop logistics service network from West India, a hub for the automotive and electrical industries.

### 2. Profile of the Local Subsidiary

Name	Katolec Global Logistics India Private Limited (provisional)

Representative	Harada Yukinori
Business	Total logistics services, Warehouses, Transportation and delivery, Customs clearance etc... (scheduled)
Capital	58million INR (About 100 million yen)
Investment ratio	Katolec Corporation : 99%、Katolec Global Logistics(Thailand)Co.,Ltd. : 1%
Start date	July, 2026 (scheduled)

#### 「Katolec Logistics Service」

Katolec Group has developed a logistics network that links more than 50 logistics sites nationwide and approximately 900 vehicles (group total) with 30 logistics centers and warehouses covering 260,000 square meters. Katolec Group has built a one-stop logistics service to meet customers' needs, including trunk-line (long-haul) transportation, cooperative delivery, short- and long-term storage, 3PL, e-commerce logistics, value-added distribution processing, fulfillment, storage and transportation across four temperature zones (frozen, chilled, controlled-temperature, and ambient), and customs clearance. Furthermore, Katolec Group operates five locations overseas in four countries—Hong Kong, Vietnam, Thailand, and Singapore—and provides one-stop international logistics services, from export/import and storage to delivery, tailored to our customers' requirements.

「From Manufacturing to Logistics — Realizing LOGITRONICS」

Katolec Group, as a “LOGITRONICS” company that integrates logistics and electronics businesses, provides comprehensive support for our customers’ supply chains, from manufacturing through logistics.
